Adversity is not always a bane but often a blessing in disguise. During adversity man is provided with an opportunity to try his own patience and his faith in himself and his religion. He is also offered a chance to put the loyalty and sincerity of his friends to test. Great men embrace it and cowards bow to it. History bears it out that it was during the days of adversity that Maharana Pratap discovered in himself a great warrior with fortitude, faith and hope. He could also discover a loyal and faithful friend in Bhamashah. The message that Samuel Smile desires to transmit to posterity is that a great man takes adversity as a challenge to his faith and steers through it valiantly rather than succumbing to it like a weakling. Only the pure remains after the test of adversity. 3
